

THE IRA JAAN FOUNDATION PRESENTS

The 2021 Agents of Hope Event

February 10 2021

Location: Virtual (Zoom)

Time: 6:30pm - 8:00pm EST

ABOUT

Agents of Hope is our online event to help fundraise for our next big project! We want our community members, supporters and students to realize their essential role in creating and spreading hope. Whether that be through donations towards building a foundation of hope or through our students taking the next step in embracing their creativity.

We believe that we can be agents of a better future, together.
